Representative of Working Group on
Extension Training

/Career Service Committee

1. The minutes of the 13th Meeting were approved as distributed.

2. It was noted that no record had been made of the 11th Meeting of this Working Group. The following, therefore, is recorded. Only four were present. [REDACTED], Chairman of the Working Group, sent word that new duties to which he had been assigned would prevent him from acting any longer as Chairman. He, therefore, requested relief from the assignment. The group accepted his resignation with thanks, and selected [REDACTED], representative from OPC, as Chairman henceforth. No other business was transacted.

3. Since the Working Groups on Rotation and Extension Training are preparing their final reports at this time, it was suggested a representative of Extension Training would be present at the Rotation meeting and vice versa so that coordination could be effected. [REDACTED] of Extension Training attended this meeting, and [REDACTED] will represent Rotation at the Extension Training meeting on Thursday, 31 January 1952, at 10:30 A. M.

4. The Chairman then asked what procedure the Group wished to take on reviewing the papers. [REDACTED] suggested that the draft of the final report be read by all members and revisions would be made as they went along, taking into consideration the comments of the various offices and the report of [REDACTED].

5. The remainder of the meeting was spent revising the draft of the final report.

6. No further meeting would be held unless at the call of the Chairman.

7. The meeting adjourned at 5:10 P. M.
